

## 21<sup>st</sup> Annual Navy Counselors Association Community Outreach Project

This year the 21<sup>st</sup> annual symposium is selecting the **Sue Duncan Children's Center** located at 4225 S. Lake Park Ave., Chicago, IL 60653 as our community outreach project. The Center is a non-profit organization that requires no monetary contribution from the families they serve. Instead, its support relies solely on donations. The center currently serves approximately 80 children of all ages. Their desired wish list includes, but not limited to, the following:

- Computers, always head the list, especially laptops.
- Nice sketchbooks with pen/marker sets (they have some fantastic budding artists)
- Books (relevant culturally diverse, African-American books, and Dr. Seuss); most of their books are wearing out.
- Typical school supplies (pens, pencils, composition books, paper [lined & printer], etc).
- Command items such as ball caps & T-shirts.

All CCOY sea and shore nominees will be representing the NCA and help deliver the items collected from the fleet.
